Please join us in celebrating 31 years of supporting the Ag One Foundation and California Women for Agriculture (CWA). The Ag Boosters Barbecue has raised

nearly \$610,000 for Ag One and CWA. This support has played an important role in Ag One's ability to support students and programs in the College of Agricultural Sciences and Technology at Fresno State. Since 1979, Ag One has provided some 2,900 students with more than \$1.9 million in scholarships and grants.

More than \$5 million is endowed with the Fresno State Foundation. In the 08-09 academic year, \$220,000 will be awarded to deserving students and programs. Additionally, CWA uses the funds raised by the barbecue to help California agriculture through education and legislative programs and by giving nearly \$100,000 in scholarships annually.
